Supervisor Doug Chaffee and Supervisor Vicente Sarmiento of the Orange County Board of Supervisors strongly condemn any act of violence and terrorism toward innocent civilians anywhere in the world. The recent events that have been unfolding in Israel and the Gaza Strip are a heartbreaking continuation to this long-standing conflict. We hope to see a resolution where both Israel and Palestine can live peacefully. Additionally, we want to ensure that locally, both communities' first amendment rights are protected and their ability to advocate for their beliefs are safeguarded. Our thoughts are with the people affected by this violence, and we urge all parties involved to prioritize the safety and well-being of civilians above all else.
